Comments:	This is green belt and needs to stay as such. I doubt a house would get planning approval, so why should this application. 8 static caravans will create a huge increase in traffic around the roads, which are small country lanes. How many extra vehicles will there be 16, 24, 32 who knows. I wouldn't be surprised to see the odd towing caravan aswell. The continued abuse of planning rules in this area of Kent has to be stopped.

Kind regards
