Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Its disgusting the way this build has been undertaken, moving in before planning has been granted makes a mockery of the whole planning process and it should not be upheld. If upheld then going forwards no one will even bother applying for planning as you obviously don't need it. All the comments and objections from the first application still stand which was refused. This planning is not in keeping with the area or the characteristics of pear tree lane. No planning has ever been allowed on this land and the precedent has been set for this not to be allowed

Kind regards
