Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I do not support building on good agricultural land. There must be other pockets of land that can be used to preserve this land. A growing population needs to be fed. Also the central area of Meopham is already congested. Can our schools and infrastructure support the numbers of proposed residents. There is no mention of school capacity or medical services.

Kind regards
