Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments: We object to any building development on Woodlea. On this application they are referring to it as land to the south of 'The Squirrels'. On Woodlea a planning application was made in 1988 for a holiday caravan to be sited and a cesspit to be dug this was refused by gravesham borough council. It was established that no one had occupied the land also it didn't comply with green belt policy. The refused planning application reference number was 19880959. Areas that have no habitable rights are few in number and should be protected from change of use as they are a benefit to nature and residents. I have occupied [REDACTED] since 1967 which is to the south side of the proposed planning development and i can confirm no one has occupied Woodlea for over 57 years hopefully it stays that way.

Kind regards
