Reasons for comment:

Comments:	I would like to support this application . In view of my own circumstances - we are desperate for family to move to be near us . At present this is impossible as there are no affordable housing options in this area . The area is perfect with a small village school still , local shops, chemist and post office within easy walkable / travel distance . It is a great opportunity to bring your families to the area or either older couples/ individuals looking for a more quieter residential countryside area in later years of life .
