Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to this as I use this road to go to work and it's absolutely ridiculous to even think about adding another 200 cars to this already congested road where this 100 houses are planned there is a police speed camera spot that says it all to how dangerous this road can be Meopham has always been known as lovely village with the windmill and green and this would turn it into a town taking away green space and not to mention this is green belt land stop these developments in small villages it's ridiculous

Kind regards
