Reasons for comment:

Comments:	<p>I oppose the proposal of building a housing estate at the location. Meopham is an area of outstanding beauty and to fill it will ill fitting modern housing estates would take that away and it will be one like every other town. It goes without saying that the local amenities would not cope. There are not enough schools, not enough public transport, not enough doctors, not enough local shops, not enough parking.</p> <p>Wrotham road is bad enough when it comes to traffic around school and rush hours times, without even mentioning the fact it's always being dug up with traffic lights which cause hours of delays due to there being no other direct routes or main roads. The countryside should be protected and kept how it is.</p>
