Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	<p>I object for the following reasons:-</p> <p>Serious lack of infrastructure i.e., schools, GP's and hospitals</p> <p>Inadequate public transport which will encourage residents to use their cars.</p> <p>Scale of the planning application gives no regard to the current gridlock regularly experienced on the A227</p> <p>The use of Grade 3 agricultural land is a travesty particularly when we need to feed the nation.</p> <p>Impact on the environment and wildlife will be irreversible</p> <p>Borough Green development will result in a considerable increase in vehicle numbers travelling to Bluewater etc.</p> <p>Lower Thames crossing will undoubtedly result in HGV's using the A227</p> <p>Area is a high flood risk area which will be exacerbated by the loss of fields to absorb water.</p>
