### Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>I object for the following reasons:-</p> <p>Access from the location will be onto a road that is already hazardous.</p> <p>The lack of public transport will mean homeowners will use their cars resulting in more gridlocks on the A227</p> <p>The location is close to a special needs school and a development of this scale will have a detrimental on the safety and well-being of the pupils.</p> <p>Loss of land will have a negative impact on the environment and wildlife. Once it's gone, it's gone.</p> <p>The number of new residences will have serious effect on the integrity of the village.</p>

Kind regards
