Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>I object for the following reasons:-</p> <p>Traffic turning into and out of the site on to the A227 will be highly dangerous. Additional traffic difficulties on a road that is already at saturation point.</p> <p>We already struggle to get GP appointments and waiting times in A &amp; E can be anything up to 8 hours. Patients at DVH can wait in corridors for 48 hours before getting a bed. DVH has less than 500 beds and it is clear they can't cope with more patients.</p> <p>As our climate changes, we need green spaces to prevent flooding.</p> <p>Our environment and its wildlife will be seriously impacted and we won't be able to go back.</p>

Kind regards
