Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	<p>I object for the following reasons:-</p> <p>The location is very close to a SEN school. Increased traffic, construction noise will be a disruption to sensitive students.</p> <p>More traffic and deliveries to Camer Parade will impact the safe drop-offs/pick-ups as well as being a danger to pedestrians as well as emergency vehicle access.</p> <p>Sensory Overload: The scale of the development, the additional lighting and building activity will cause sensory distress for children with autism or other conditions.</p> <p>The loss of privacy will impact the school's internal environment or outdoor spaces used by pupils.</p> <p>There will also be a disruption to therapies, routines, or use of school grounds due to higher levels of traffic.</p> <p>The Longfield Road is not an adequate road to be able to cope with a development of this size.</p> <p>Pollution from vehicle emissions and dust will also have an impact of current residents with respiratory problems.</p>
