Reasons for comment:

Comments: Dear Ms Rebecca Harrison & Gravesham borough planning services team,

Reference: 20251228

Thank you for sharing our neighbours "Taralee, Wrotham Road, Meopham" planning application online.

Having inspected and reviewed their extensive property extension, internal and external alterations, duly noted the front makeover and exterior rendering is not in keeping with the neighbouring properties, we do not object to this property being modernised as long as the small windows for w/c is not plain normal glass i.e. see through, and utility/cloakroom window at the side of the house, facing towards the Highfirs property, please ensure windows height does not overlook the existing fence line onto [REDACTED] property.

We would like to know the following:

1) Timeline of Taralee building works, start and finish dates.

2) What are the building labour hours timings working e.g. 8am to 4pm from Mon to Fri, no excessive noise after a set time. Note [REDACTED] household does work from home on set weekdays.

3) Any building materials, scaffolding and/or dust please ensure all reasonable precautions taken, this disruption does not venture to [REDACTED]. If so, the neighbours liable to ensure areas remain clean and tidy.

4) Any buildings deliveries should not block the main Wrotham road, and/or [REDACTED] property entrance/exit.

Again, we do not have any objections with this planning application as long as the above information is shared to all parties concerned in advance notice and abided in good faith.

Look forward to hearing back from you and the planning team.

[REDACTED]

Kind regards
