Reasons for comment:	
Comments:	I live in a 2 bed in Coombe road, a 1 car household and it is already difficult to park. Extending this property from 6-8 bedroom with no street parking available will mean I will end up not being able to park on my road. When you also take into account the planning for St Joseph's school grounds. This road is and will continue to be flooded by cars from other roads. Laurel avenue also suffers from this, and can actually be quite dangerous turning into this road from Whitehill, as parked cars block the view. Please consider the residents on Coombe road as it is already difficult for parents and elderly to park on their road with no realistic alternative. Does not seem fair or considerate to neighbouring homes.

Kind regards
