Reasons for comment:	
Comments:	Due to being an elderly person, I will really appreciate Al Haqq academy being formed due to the social facilities being made available to elderly people aswell as young and of all diverse backgrounds. We need a place to socialise at our age as we are pensioners and have free time. Our needs can be met with this institution which will offer food bank, moral education and social welfare facilities which is not being met by similar institutions in this area.

Kind regards
