Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Previously applications to build a dwelling on this land have been turned down. This new proposal means there could be up to 4 families living on the plot at any time plus many others using the day room so makes no sense. This will greatly increase traffic and parking issues in the immediate vicinity. This is not a suitable plot for a traveller site as the residents will have their large work vehicles on the site. I am also concerned about noise. Traveller sites tend to use large dogs to guard the premises (I have experience of visiting sites [REDACTED] and these dogs can be very noisy and aggressive. This concerns me in a residential area.

Kind regards
