| Comments:            | So many times planning has been refused on this site due to the AONB and increases traffic onto Pear Tree Lane. Pear Tree Lane is already a rat run when the A2 is blocked and also we have far more cars with the success of the See Ho pub and their car park not having enough spaces to accommodate the number of cars. If Option C is built us residents will have to use PT lane more when they close our coastal bound exit at Brewers Road. One house would be far more suitable than several families with cars and trucks. My only other point is this site would not be in keeping with this area, if this is passed I cannot see what GBC could refuse in the future. |
