The NHS Prescription Charge is
£8.60 for each item dispensed
from 1st April 2017

Some items may have more than one charge,
e.g. elastic hosiery; a member of the
dispensary team will explain
if that is the case.

The NHS prescription
charge is a contribution to
the NHS; it is not a payment to the
surgery or its dispensary and it is not
related to the cost of your medicines!

If you need 4 or more prescriptions in
three months or 13 or more prescriptions
a year, you could save money with a

Prescription Prepayment Certificate.

Ask a member of the dispensary team for more details.

Prescriptions are free
for some people –
ask a member of the
dispensary team
for advice or visit...
