Reasons for comment:

Comments:	I would like to support this application as with many properties in Shorne they need to be updated and fit for modern purposes. I can see the end goal here and I think it is going to look great. I agree with the high fence which I think is unobtrusive and will not be seen once the laurels grow. The fence is necessary to keep the dog in. The levelling of the ground is good and makes it a much friendlier garden to relax and entertain in. Once the plants and grass has been allowed to grow I think it will be a true asset to the lane and cannot do anything more than keeping Shorne up to date for future needs.
