Comments Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: My wife & I object in the strongest possible terms to any building work that exceeds the present level (ie height) by the high wall at the rear of our as property, as this will reduce further the amount of day light we get at the rear of our property. Also, we object in the strongest possible terms to any new windows that will directly overlook Heritage Quay, as this would reduce our privacy.

Please note we do not object to work that needs to be done to make the Custom House development habitable, but we should not be negatively impacted as mentioned above.

Kind regards
