Reasons for comment:

Comments: I have lived in Station road for over 40 years, and parking has always been a problem, for obvious reasons. My wife is disabled (blue badge) and needs our car for visits to doctors/dentists etc., so the prospect of another 6 people looking for limited space is disturbing in the least. Number 10 is situated right on the bend of the road opposite the station and I can only see problems and arguments in prospect if the plan goes ahead. All my close neighbour's in station road are Elderly and long standing. With 6 (or more) people coming and going 24 hours a day, I think planning should be rejected.

Kind regards
