Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to this proposal. I live in Nursery Road and back onto the beautiful open farmland that this planning application relates to! I have lived here with my late husband and family since 1981. I enjoy the walks through the farmland with my neighbour and friends. It is a beautiful area which will be spoilt by a huge development! The wildlife will be killed off. We see numerous Bats every evening, flying around. As well as, many other wildlife birds and animals, that like to forage for food that live in the woodland around the farm and railway line. Redevelop the existing primary school as was done at Culverstone. The roads cannot, and will not, support such a devastating increase in traffic. Even our main road, A227, will not support the excess traffic. The Doctors Surgery can't cope with the needs of our community already, so don't add even more issues. There isn't a good enough transport system either! We are a VILLAGE not a TOWN! LEAVE OUR VILLAGE ALONE!!

Kind regards
