Reasons for comment:	
Comments:	As a resident of Gravesend i have seen the negative impact of over poluating the local area has had on the infrastructure, in particular the amount of additional traffic getting in and out of the town. I also use the A2 to travel to work regularly and its already on the verge of standstill most mornings. Our green spaces are already shrinking and wirh Option C now given the go ahead we do not need any more development in our area of Kent.

Kind regards
