Reasons for comment:

Comments: I am writing to OBJECT to planning application for a MacDonalds at Old Beefeater Woodlands Park. The amount of traffic on a already busy road, location to schools rubbish it would generate would be completely unsustainable. I am a street champion in Perry street area and 99% of all rubbish discarded on pavement and streets is fast food containers. And Macdonalds even here from town outlet. The amount of waste this would generate next to a beautiful park and surrounding areas would be intolerable! Can we not think of a more beneficial sustaining community hub for that area other than a huge environmental damaging and health damaging money grabbing business plan that will not benefit anyone in our community??
Thank you
I object to this application.

Kind regards
