Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Tawahi is situated on the highest part of Telegraph Hill. The proposed significant increase in it's height and foot print is out of keeping with the surrounding properties. The lightly constructed private access road which covers the gas, water and sewerage pipes will be damaged by the associated construction traffic. The sewer, which was originally constructed to serve two properties, is now connected to eight houses. It is currently being investigated by Southern Water (who should be contacted regarding this application) as it now regularly overflows and may need to be enlarged.

Kind regards
