Comments Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: Given the elevated drive from the road side this new development will be out of keeping with the local and premises nearby. It will dominate the sky line and be very imposing on the e Road side. The size and massing of the plot will also be out of keeping with premises on either side and this will impact light and shade to neighbouring properties.

Kind regards
