Reasons for comment:

Comments: Having a bungalow having a garden backing onto New Barn Road there are hundreds of large HGVs and skip lorries and many commercial vans and artic lorries using New Barn Road from A2 and from Longfield - New Barn Road has turned into a 'motorway' to have even more lorries daily is not a nice thing to happen. I also drive to Istead Rise and for them to use the single lanes, unadopted roads and coming down into and out of Downs Road and Broadditch Road with many houses close to the road and going past local schools in the area. It needs to stop this large lorries using the lanes in the vicinity.

Kind regards
