Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to Planning Application Ref: 20240600 for the proposed change of use of land south of Pear Tree Lane, Shorne, for the stationing of static homes and touring caravans for Gypsy/Traveller occupation. This development would place undue strain on local infrastructure, increase traffic and safety risks on rural roads, and harm the local environment and biodiversity. While I support fair and inclusive housing policies, this proposal is inappropriate for the area, as it does not align with the local development plan and would disrupt the character of the community. I urge the council to reject this application.

Kind regards
