Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to this, there is no benefit to the village nor the community by having this land turned into a habitable plot. I have no confidence this will remain limited to a few plots and expect it to be increased in size whether legally or not in time. I have seen it first hand in other locations where the land has been illegally increased past what was agreed.

Kind regards
