Comments:	This proposal is hideous. The utter disregard for current dwellers of the village is sickening. The lack of thought surrounding the impact on this village and surrounding areas is laughable. It's hard not to feel that these plans are made to intentionally bring beautiful parts of the country like this, to their knees. Anyone who's spent a day in this area knows we already struggle with huge amount of traffic, poor drainage, awful pot holes and absolute calamity when road works ensue due to the high volume of traffic that travels, to, from and through Meopham. The idea that this amount of homes could go up in this area and be functional is delusional. Meopham is home to alot of retirees who have spent their lives working and paying their taxes and they now want to enjoy the fruits of their labour in a quiet and friendly village, surrounded by nature and local pubs. No one deserves to be looking out at endless rows of identically gaunt, poorly built houses. A bleak look in the suburban dystopia we are soon to find ourselves in if permissions like this get granted. Save our greenbelt.

Kind regards
