Reasons for comment:	
Comments:	I am very concerned about the amount of activity currently taking place on this land. Despite a high court injunction in 2009 prohibiting any residential use, further caravans have recently been added causing horrendous damage to trees and land along Whitepost Lane. Recent activity includes tarmacking of a large area, lorries delivering septic tanks and fencing erected around the whole site. It is clear what is happening here and I ask the council to urgently enforce this injunction and prevent further illegal activity taking place.

Kind regards
