Dear Amanda

**20220844 - Former Northfleet Cement Works, The Shore/Granby Road,
Northfleet, Gravesend Kent**

Thank you for your mail dated 27th September 2022 with regard to the above application.

Public Rights of Way NU4 lies to the south west of the site and NU42 to the north west and may be affected by the application, and I therefore enclose a copy of the Public Rights of Way network map showing the definitive line of these paths for your information. The route is also part of the England Coast Path National Trail and any works due to be taking place will need to be reported to KCC PROW and Natural England.

It is important to advise the applicants that a public right of way must not be stopped up, diverted, obstructed or the surface disturbed and there must be no encroachment on the current width, at any time now or in future. This includes any building materials or waste generated during any of the construction phases. Please note that no furniture or fixtures may be erected on or across Public Rights of Way without the express consent of the Highways Authority.

Yours sincerely

John Pelham
