Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	I / we object to this planning application as it is so similar to the original that was refused. eg: 1: Large established trees to be felled and wildlife disturbed. 2: Very difficult access for developers and future residents due to the road narrowing at this point on a slight bend. 3: Night access at various points in this area are already challenging due to street lighting issues. 4: Local services are already stretched, (drainage and power etc.) 5: The road is already busier at school times with many parents using it as a rat run to avoid queuing on Wrotham Road. 6: Total loss of privacy for immediate neighbour. 7: This is for personal gain as the owner is planning to sell and move away from the area.
