Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>I strongly object to this planning application for the following reasons.</p> <p>The A227 is already too busy and more dwellings would make this worse. The A227 is already used as a cut through when other main roads are blocked.</p> <p>However this creates a huge hazard when the A227 itself is closed as traffic is forced onto the surrounding country lanes causing gridlock. This is hazardous for local residents and wildlife, as well as those accessing schools.</p> <p>This is green belt and farming land which should be used for food production to ensure food security.</p> <p>The wildlife in the area should be protected.</p> <p>This development would cause local services to be overwhelmed.</p>

Kind regards
