Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly object to this proposal. The reasons for my objection are mainly the concern that this business will use vehicles too large for the road infrastructure that surrounds the area and any service road that cuts through the countryside will eventually lead to our village road or lane that simply isn't designed to take heavy traffic. My other concern is noise pollution. A recent illegal container storage company that was successfully shut down by the council showed what impact noise can have on a small quiet community, early hours noise of vehicle reversing alarms could easily be heard

Kind regards
