Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The application if permitted will be extremely detrimental to the area in all ways. Visual impact and traffic impact will be horrendous and open the floodgates to further development completely at odds with the area and its surroundings. There is little opportunity in Gravesham to enjoy such special areas and this application will mean huge impacts starting with unsuitable vehicular traffic and in an area already struggling. The whole landscape at such place will be adversely impacted

Kind regards
