Reasons for comment:	
Comments:	I wish to object to the proposed development in Sole Street. I know the village very well having lived, for many years, in a house with direct views over the proposed site. Such a large building there, at the highest point, would be a complete eyesore for not only the village but for miles around. A beautiful area like that, on the edge of urban sprawl, needs to be protected as one development invariably leads to more. Gold Street is a narrow dangerous country road and is not suitable for all the extra traffic, particularly heavy lorries, that the factory would bring. I am very upset that this factory is being proposed and strongly object to it.

Kind regards
