Permission granted for this extension 3.3m long. Due to a building regulations issue with a Southern Water sewer running across the corner of the 3.3m long extension, it has been proposed that the best solution is to increase the extension length to 4.8m to allow the sewer to pass through the foundation, allowing 500mm clearance between the sewer and foundation.

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
