Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	There are far too many residences already in this area. The roads are in terrible shape and hard to navigate with the volume of traffic on single track roads. There has also been horrible damage done to the environment with movement of caravans and mobile homes. The council needs to stop further residences unless proper mains sewage facilities are installed and roads made fit for purpose. I strongly object to this proposal and granting it will only lead to more applications of a similar nature.

Kind regards
