Reasons for comment:	
Comments:	Once again it seems the residents of Tennyson walk are the last to know. I received my letter on the 29/1/25 yet comments date the 21/1/25?. Opening to the public until 10.00pm is far too late, Many people need to be in bed at 9.30 / 10.00pm for an early start the next day. Their peace will be disrupted up until 10.30pm at the earliest. There are plenty of areas around here that are not close to residential properties where this kind of facility could be built. In addition, there will be a lot of bad language as we know from these sporting arenas, why should we have to put up with that. It is bad enough on occasions from the school children as it is.

Kind regards
