Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	As a DA12 resident, I fully support the retrospective planning application at No. 42. The facilities added inside the outbuilding are modest and similar to those already approved at other properties, including [REDACTED] both of which have council-approved outbuildings with showers, toilets, and kitchen facilities. Given that these types of ancillary uses have been permitted for neighbours, it is only fair and reasonable that No. 42 receives the same consideration. The building will not be used for sleeping accommodation or rented out. I therefore disagree with the comments submitted by [REDACTED] as they do not reflect the established pattern of development in the area.

Kind regards
