Reasons for comment:	
Comments:	I live locally within DA12 and would like to support the planning application for the outbuilding at No. 42. There are clear precedents on this same street: [REDACTED] has an annex with full facilities and an additional outbuilding with a bathroom, and [REDACTED] has a gym/garden room with shower and toilet approval. These examples show that outbuildings with such facilities are entirely acceptable and already part of the neighbourhood's character. The outbuilding at No. 42 remains purely an office and gym and will not be used as a sleeping space. I object to the objections from [REDACTED] as they are inconsistent with what already exists.

Kind regards
