Reasons for comment:	
Comments:	This is a very much needed community centre Needed by our youth to keep them out of the streets, learn and grow and make friends. With no parking issues with four public car parks available very close to the centre. Very importantly food bank services will be available for all those who need it and there is those who want to donate towards the food bank. There is lot off people who live very close to the centre from a walking distance so need drive and will regularly visit the centre would make a good use of the centre.

Kind regards
