TOWN AND COUNTRY PLANNING ACT 1990

Dear Sir/Madam

APPLICATION NO: GR/23/376/RC

PROPOSAL: Non-material amendment to planning permission GR/23/376 to allow for modifications to the permitted extraction equipment and stack height and to facilitate the installation of a sampling port for emissions testing, as required by the facility's Environment Agency (EA) permit

LOCATION: Britannia Refined Metals Ltd, Britannia Metal Refinery And Premises, Lower Road, Northfleet, Gravesend, Kent, DA11 9BG

The above request, relating to an amendment to planning permission GR/23/376, has been submitted for consideration by the County Planning Authority.

I would be glad to receive any observations that you may wish to make on the application so that these may be taken into account when the County Planning Authority formally considers the proposals.

To view the planning application documents and comment on the application, please use the following link:

As part of the Council's commitment to equalities if you have any concerns or issues with regard to access to this information please contact us for assistance.

As agreed at the Kent Planning Officers Group Development Management Forum on the 16 March 2018, I am requesting that you let us know **within 7 days of the date of this letter** if you wish to comment on the above detail(s). A holding response (either automatically generated, or a standard acknowledgement email or an email confirming that the submission is being checked for validity) is not sufficient to let us know that your authority wishes to make comments. If you do wish to comment, please let us know within 7 days of the date of this letter and we will agree a timescale with you by which we will need to receive any comments you wish to make.

If I do not receive a response within 7 days of the date of this letter, I will proceed to determine the above proposal as soon as I am in a position to do so.

Under the terms of the planning permission, a full planning application is not required to be submitted, and therefore this request does not need to be allocated an application reference number. I shall be using the reference GR/23/376/RC in correspondence regarding this matter.

Yours faithfully
