6. Within 3 months of works commencing, a plan demonstrating that integrated bat and bird boxes will be incorporated into the building shall be submitted to and approved, in writing, by the Local Planning Authority. The scheme shall then be constructed in accordance with these approved details and completed, in its entirety, prior to first occupation of the development. Thereafter the approved bat and bird boxes shall remain in situ and maintained.

Reason: To ensure biodiversity on the site would be maintained and enhanced in accordance with paragraphs 180 and 186 of the National Planning Policy Framework (2024).

7. Notwithstanding the details shown on the approved plans, submitted documents and application form, before any above ground works commence, full details of all boundary treatments, including their location, design, height and materials, shall be submitted to and approved in writing by the Local Planning Authority. The development shall thereafter be carried out in full accordance with the approved details before the dwellings hereby permitted are first occupied and thereafter maintained.

Reason: To protect and enhance the visual amenity and the character of the area and to ensure a satisfactory environment for existing and future residents in accordance with Policy CS19 of the Gravesham Local Plan Core Strategy (September 2014) and section 12 (Achieving well-designed and beautiful places) of the National Planning Policy Framework (NPPF), 2024.

8. Prior to the first use of the dwellinghouse as hereby approved full details of the refuse storage and collection arrangements shall be submitted to and approved in writing by the Local Planning Authority. The details shall be implemented prior to the first use of the dwellinghouse and shall thereafter be maintained in accordance with the details approved pursuant to this condition.

Reason: To protect and enhance the visual amenity and the character of the area, to ensure a satisfactory environment for existing and future residents to safeguard the amenity and privacy of the occupants of the neighbouring properties in accordance with Policy CS19 of the Gravesham Local Plan Core Strategy (September 2014) and section 12 (Achieving well-designed and beautiful places) of the National Planning Policy Framework (NPPF), 2024.

9. Prior to any above ground works taking place, a comprehensive Construction Management Plan shall be submitted to, and approved in writing by the Local Planning Authority.

The Code of Construction Practice/Construction Management Plan shall include details, where relevant, of the following, including any other measures deemed reasonably necessary:

- (a) Routing of construction and delivery vehicles to / from site
- (b) Parking and turning areas for construction and delivery vehicles and site personnel
- (c) Timing of deliveries
- (d) Provision of wheel washing facilities
- (e) Temporary traffic management / signage.

The construction of the development shall adhere at all times and be carried out in full accordance with the relevant approved document.

Reason: To ensure that construction of the development does not result in avoidable congestion on the local highway network, and to protect the amenity of local residents and businesses and protected species and to mitigate the risks to groundwater, in accordance with Policies CS11 (Transport), CS12 (Green Infrastructure) and CS19 (Development and Design Principles) of the Gravesham Local Plan: Core Strategy (2014).

INFORMATIVES:-

1 DEVIATION FROM APPROVED PLANS

It is possible that any proposed deviation from the approved plans could be classed as a 'material' change requiring a further application/permission. In the event that any change is proposed, applicants are advised to seek advice from the Local Planning Authority [as proceeding without the necessary permissions could nullify this permission].

2 BUILDING REGULATIONS CONSENT

The granting of planning permission is independent from the granting of Building Regulations consent (which may, or may not, be required). In the event of a change to the scheme granted planning permission being required to satisfy the Building Regulations, applicants are advised to seek advice from the Local Planning Authority [as proceeding without the necessary permissions could nullify this permission].

3 STATEMENT OF POSITIVE AND PROACTIVE APPROACH TO DECISION-MAKING

In accordance with Article 35 (2) of the Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended), and paragraph 39 of the National Planning Policy Framework (NPPF) 2024, the Local Planning Authority has approached the assessment and determination of this application in a positive and creative way and, where appropriate, has worked pro-actively with the applicant to secure a development that is sustainable and that improves the economic, social and environmental conditions of the area, and that is in accordance with the Development Plan for the area.

4 NAMING & NUMBERING

As a result of the changes to this property, it appears that a change has to be made to the national property gazetteer. It is a legal requirement that a property or premises is registered.

The Naming and Numbering Certificate, when issued, will reduce location or delivery problems via Royal Mail or other carriers, and importantly for the Police, Ambulance, and Fire & Rescue services. Registration is also necessary to register to vote, for utility connections, and will avoid duplicate addresses.

The Naming and Numbering service is provided by the Borough Council. The on-line form is available at the Planning/House Numbering page of the council's web-site <http://www.gravesham.gov.uk/street-naming> Please submit the application and the requisite fee in accordance with the guidance on the form.

5 WORKS OF CONSTRUCTION

Hours of work of construction site plant, equipment and machinery, should be restricted to not earlier than 7.00 a.m. and not later than 6.00 p.m. weekdays and Saturday working should be restricted to not earlier than 8.00a.m. and not later than 1.00 p.m. No work shall be carried out on Sundays, Bank or Public Holidays.

- i. Suitable sound attenuation shall be used at all times in respect of all plant, machinery and equipment in operation on site in order to aid prevention of noise nuisance. Compliance with BS 5228: Part 1: 1984 and subsequent amendments regarding the use of equipment on site will be required in appropriate cases.
- ii. A suitable method of control shall be used in order to aid prevention of dust nuisance arising from work activities on site.
- iii. Burning of waste materials shall not be carried out on site. Such materials are to be stored in a suitable receptacle, as far from residential accommodation as reasonably practicable, pending disposal off site.
- iv. Adequate arrangements shall be made to remove all waste material from the site on a regular basis and to dispose of it at a suitably licensed waste disposal site.

NOTIFICATION TO APPLICANT

APPEALS TO THE SECRETARY OF STATE

- If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.

- If this is a **householder application*** which has been refused and you want to appeal against your Local Planning Authority's decision then you must do so within **12 weeks of the date of this notice**.
- For all other applications, refused or permitted, if you want to appeal against your Local Planning Authority's decision then you must do so within 6 months of the date of this notice.
- **For further information regarding Appeals and to make an application please click the relevant link:**
<https://www.gov.uk/appeal-householder-planning-decision>
<https://www.gov.uk/appeal-planning-decision>
- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

***Householder applications**

These are:

- applications for planning permission for development of an existing dwellinghouse, or development within the curtilage of such a dwellinghouse for any purpose incidental to the enjoyment of the dwellinghouse, or
- an application for any consent, agreement or approval required by or under a planning permission, development order or local development order in relation to such development

but does **not** include –

- an application for change of use;
- an application to change the number of dwellings in a building.

PURCHASE NOTICES

If either the Local Planning Authority or the Secretary of State for the Environment refuses permission to develop land or grants it subject to conditions, the owner may claim that he/she can neither put the land to a reasonably beneficial use in its existing state nor can he/she render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
