Reasons for comment:	
Comments:	I object to yet another plan to build in Istead Rise . The roads in and out of here are already blocked during rush hour and school times. The parking at shops is insufficient and the doctors can't cope at the moment without over 200 new homes with on average 4 people per house and well over 2 cars per new house . The wildlife does not seem to matter to the council which is sad to think we will lose most of it as they will lose their safe habitat . Why can the land not be used for producing food for us all to benefit from ?

Kind regards
