## Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	There is already too much overcrowding in this area. Parking is near impossible at times without the additional properties. I live round the back of this area and do not wish to be over looked from all sides. I already have limited sun in the summer months and do not want a block of flats worsening this let alone the dirt and noise disruption this will bring to the area. Not worth it at all.

Kind regards
