Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application

### Reasons for comment:

Comments:	We purchased our property on this road due to it being a well sought after residential street. There are many residence that have lived here for many years and raised families on this road. I live on the opposite side only a few doors up and was happy to see work being done on the property looking forward to another family moving in. Extremely sad to now hear this isn't the case and really hope this planning does not go ahead
-----------	---

Kind regards
