Reasons for comment:	
Comments:	<p>This would result in a dangerous access to an already extremely busy area. 120 houses with on average 2-3 cars per household.</p> <p>Development next to Helen Allison School with pupils who have special needs. The additional housing so close to the school would impact on their wellbeing.</p> <p>Longfield Road is extremely narrow and already has to be navigated with care due to parked vehicles in and around this spot.</p> <p>This road is a known shortcut for heavy lorries destined for the weigh bridge at Green st Green.</p> <p>The unnecessary loss of grade agricultural land farmed for centuries and providing a food source.</p> <p>Travelling through Longfield Road to Meopham is a 50mph speed limit. Vehicles frequently do not slow down approaching the school and junction.</p> <p>A highly dangerous area to even consider any further developments with the additional traffic going to the shops.</p>

Kind regards
