Reasons for comment:

Comments:	<p>This site is not suitable for the surrounding infrastructure around and the Wrotham Road. The site may add potentially an additional 700 + and access to the site will dangerous as it is already a busy road which gets congested severely when there is accidents on the major roads surrounding the area, M25, A2, M20.</p> <p>This section of the Wrotham Road is always full of parked cars alongside the Meopham Community Academy and Mini Meopham's Nursery during start/finish times. There is also a pinch point where the road narrows at the George Inn where large vehicles are unable to pass.</p> <p>The facilities in the area are not able to support an additional 350 houses.</p> <p>This site will have a negative impact on the adjacent conservation area.</p>
