| Stance:              | Customer objects to the Planning Application   |
| Reasons for comment: |  |
| Comments:            | <p>This proposal is for building on land which is currently green field and has been fully utilised for the growing of successful crops at a time when it is increasingly necessary for us to supply our own crops to avoid the need for more imports. Local infrastructure is not in place to service more properties; water is frequently in short supply; doctors and hospitals are already under enormous pressure and our local roads, particularly Norwood Lane and Green Lane were not built to take more cars - traffic jams are already experienced at school start and finishing times. I therefore consider it would be madness to allow more properties to be built in this locality and I sincerely hope that the application will be rejected.</p> |

Kind regards
